Best bet is to enter on the North side of Saint Joe's on the weekend--door opposite the chapel with the little staircase outside.

The lab is typically open by 8:30a in the morning and then closed at 10p, Monday through Thursday; it is closed at 4:30p on Friday afternoons. On weekends, Public Safety is supposed to unlock the lab. If you find it locked, please call (937) 229-2121.
